

The Shaped Retrieve -- with Pam Dennison

This is a WORKING workshop.

Having a problem with a retrieve? Stuck on the first or second step and can't seem to move forward? Is the lack of a retrieve the reason why you can't progress to Open and Utility Obedience (in any venue)?

Help is here!

In this 3 hour workshop, we will work on the beginning of the shaped retrieve (or further along depending on where your dog is and what issue they/you, are having).

When: Saturday, May 18, 2024, 9:00AM - 12:00 Noon
Location: Great Companions Dog School, 3676 Crescent Court East, Whitehall PA 18052
Cost for a working team (1 dog and 1 handler): \$75
Cost for auditors: \$50
Minimum 8 working teams, maximum 10 working teams.
Unlimited auditors

What you'll need to bring:

- Peanut butter, cream cheese or liverwurst • Dumbbell or Toy • Tug toy • Clicker
- Treats - at least 3 containers filled to the brim with 3 different kinds of treats, not the same treat three different flavors - and preferably the good stuff - steak, cheese, chicken, liver, etc., in pea sized treats
- Bait bag • Water • Water bowl

***Your session will go faster if your dog already understands the concept of shaping.*
