All Directions start from Rt. 22

Rt. 309 North

Take 309 North past LCCC, Rt. 873 will branch off to the right at the Wachovia Bank - follow it!
At Neffs Church the road bends. Great Companions is 1.1 miles on the right. See 15th St. directions for details.

15th St Exit -- usually the quickest route

Exit North onto 15th St./Mauch Chunk Road, about 6 miles. At the "T" junction in Balliettsville turn left on Rt. 329 West. After another mile, just after the crest of a hill, Rt 329 will turn left again on Bellview Road -- there is no stop at this intersection and this turn is easy to miss! Soon after going through an underpass (the PA Turnpike) you'll come to Rt 873. You'll see the giant and beautiful Neffs Church. Turn right on Rt 873 North. Great Companions is 1.1 miles on 873 on the right hand side. Just after you pass through the town of Neffs you'll see a sign for Glencrest (don't turn). There's a guardrail on your right, put on your right turn signal and slow down. You'll see a large "Great Companions" sign on our barn. We have 2 driveways; we prefer you take the first which is before the barn. If you miss it take the second drive which is just past the house and follow it around to the barn.

Cedar Crest Boulevard

Follow Cedar Crest Boulevard north to the "T" junction with Mauch Chunk Road, turn left. Follow 15th St directions
